MODULAR KITCHENS

Among the newest interior design trends, handleless cabinets are becoming a regular element. We're seeing a gradual removal of any element that clutters a setting and instead, creating more functional spaces. Handleless cabinets are perfect for modern and minimalist styles.

HANDLELESS

ITALIAN MARBLE TOP

With a multitude of countertop options available, marble remains one of the most popular, a favorite choice for upscale home renovations. Although any kitchen or bath renovation is sure to increase your home's value, marble countertops offer a high return on your investment.

GLOSSY FINISH

Glossy laminate finish has an attractive mirror-like sheen. It imparts a luxurious look to the kitchen and adds brightness to the space because of its ability to reflect a bit of light.

Gloss-finish laminates are susceptible to scratches and need regular cleaning because they show smudges and fingerprints easily.

LIVING ROOM

BLISS OF SOFT & ELEGANT BEIGE

It's a refreshing feeling, stepping into a warm living room that is filled with light. Somehow bright and well-lit interior creates a great combination of a calm and lively decor. White is the obvious choice for such an interior.

If you wish for something with a little more character, beige is the tone you'll discover happiness with!

COMBINE BROWN & BEIGE

Those who love simplicity and sophistication will love the combination of beige and brown. Take a look at this living room; a balanced use of these two colours makes the space look so chic. Beige is introduced in the walls, the ceiling to create a warm and cosy space that cuts the darkness of brown flooring.

BEDROOMS

WOODEN FLOORING

Discover a wide range of wooden floors that are built to last and easy to maintain. Natural wood flooring coupled with modern furniture can be appropriate for many types of homes.

CUSHIONED BEDS

Not only is upholstered beds are ergonomic in every way, they also offer comfort at a different level.

While a normal bed is already the centre of attention in a bedroom, an upholstered bed becomes the piece de résistance.

Being a neutral colour, white is a great colour of choice for swanky interiors.

WHITE MATT WARDROBES

It flanks all other colours beautifully while also opening up the space and making it seem larger- a plus for compact homes

BATHROOMS

WHITE STONE

White marble is a fantastic material for bathrooms. This beautiful stone is naturally water-resistant and adds a luxurious, elegant feel to any space.

GREY & WHITE TONES

A grey and white bathroom scheme ranks high on the style metre but also provides a calming neutral backdrop. This gorgeous shade is classic, but with a modern twist. A wooden bathroom vanity unit adds a flash of character to completely grey walls.

MANDIR DESIGNS

SERENE PUJA ROOM

Add more grace to your interiors with the traditional as well as trendy wooden home mandir designs and give your interiors an exquisite look.

The colorful peacock wallpaper helps conjure an emphatic interior.

QUAINT TEMPLE DESIGN

Turn a wall niche into a small mandir, with a base unit and pretty lights.

Make sure you stick to clean lines, and choose from neutral colours in keeping with the modern design aesthetic.

EXTERIOR DECOR

TERRACE GARDEN

A great addition to a stylish and unique home is a terrace. Much like a atrium, porch or balcony a terrace gives you a chance to display some taste and creativity.

Create a decorative garden with artificial grass carpet to give it an aesthetic appeal.

VERTICAL GARDEN

Filling or covering a blank wall with plants is one of the easiest ways to add appeal, and plants also bring a touch of nature to a man-made space.

Utilize any wall at rooftop or exterior walls to arrange plants and flowers.
